## Keith's Korner

### So, after careful reflection, I have decided not to become a monk!

Recently, my Doctor of Ministry class, on spiritual formation, had the opportunity to spend the day with the monks at Belmont Abbey. Those who attend the 11AM Bible study and prayer time on Wednesday mornings have heard me share about this very special opportunity. Our class learned briefly about the history of Belmont Abbey, the monastery there, and we learned even more about what life is like from one of the of nineteen monks who call the monastery home.

We met with Father Elias (Director of Spiritual Formation at Belmont Abbey), who has his Doctorate in meteorology, and who once worked at the National Weather Service office in Raleigh. Father Elias was working his regular job but felt that something was still missing from his life and pursued the pathway to becoming a Catholic monk and priest. He has now lived at the monastery for several years and teaches at Belmont Abbey College. He was very kind to share his life story with us and entertain our questions.

During our time, Father Elias spoke of three requirements to becoming a monk in a monastery of the Benedictine order. These requirements include an eagerness for three things, **the work of God, obedience, and trials**. This brief article you are reading does not allow me to expand on all three, but I do want to say a word regarding an eagerness for the work of God. With this first requirement he shared that prayer is at the heart of the schedule for all who live in this monastic community. Daily life in the monastery is designed to allow time for prayer, both in community and individually.

Prayer is only one aspect of spiritual formation, but it is THE KEY, whether a monk or not, in allowing the work of God and His will to grow in us. The disciples recognized the importance of prayer in Jesus' life and in Luke 11:1, they asked him, "*Lord teach us to pray.*" In a few weeks we will be remembering our Savior's final days and hours. It was in the Garden of Gethsemane when our savior, "*withdrew from them about a stone's throw, and He knelt down and began to pray, saying, 'Father, if You are willing, remove this cup from me; yet not My will, but Yours be done'*" (Luke 22:41).

If we desire to see God's Kingdom grow in us, we also must enter into a rhythm of prayer. IT IS ONLY THROUGH PRAYER that we can sincerely echo the words of our Savior and say, "*not my will, but Yours be done.*"

This daily rhythm of prayer is something that should be characteristic of all who profess faith in Christ. Let us join together as followers of Jesus and make prayer a regular part of our everyday rhythm!

Again, I have decided not to become a monk, but I feel strongly that they have a lot to teach us about the importance of prayer.

With a nation that seems to have lost its moral compass, let us read the following poem and allow its message to bring about change in us.

*When I was a young man, I wanted to change the world. I found it was difficult to change the world, so I tried to change my nation. When I found I couldn't change the nation, I began to focus on my town. I couldn't change the town and as an older man, I tried to change my family. Now, as an old man, I realize the only thing I can change is myself, and suddenly I realize that if long ago I had changed myself, I could have made an impact on my family. My family and I could have made an impact on our town. Their impact could have changed the nation and I could indeed have changed the world.*

This poem is attributed to a monk in 1100 A.D. but due to the wording about family, town and nation, I have my doubts.

## From our Associate Pastor for Music & Adults... Candy Wilson

The Psalmist has challenged us to "sing a new song to the Lord." Every day, each moment of our lives is a new song waiting to be sung, played, whistled, or hummed. The season of Lent began on Wednesday, February 14th. Lent is a good time to examine our individual "songs," or lives, and determine how we can best play, sing, whistle, or hum that which God has given us. The Psalmist has also said: "Bless the Lord, O my soul, and all that is within me, bless his holy name." When we offer our self, our total being to God in worship, we begin to experience the joy of the abundant life. In our corporate worship services, we can decide to participate more fully, sing the hymns more heartily, pray more fervently, and read the scripture with deep conviction.

It is a joy for me on Sundays when I look around the congregation and see children searching the hymnal for the correct hymn number, adults sharing their hymnals with children, and delight on the faces of everyone while singing those hymns. Eric Routley, 20<sup>th</sup> century hymnist, composer, and theologian said that a good hymn is one that is "well written, well chosen, and well sung." A vital element in congregational worship is hymn singing, for it is a time when the people of God unite in voicing their praise to the Creator. As our prayers and hymns ascend to our Maker, do we consider offering anything less than our best?

Sing to the Lord!  
Candy

**REMINDER:** Mark your calendar now for Sunday, March 4 at Boiling Springs Baptist Church. During our 10:55 am worship, we will dedicate our new *Celebrating Grace Hymnals*. Paul A. Richardson, DMA, Professor *emeritus* of Music in the School of the Arts at Baptist-related Samford University in Birmingham, Alabama will be leading our worship that morning. Dr. Richardson taught voice and church music and was the recipient of the university's John H. Buchanan Award for Excellence in Classroom Teaching. We will also welcome guest musicians Jacey Spangler (flute) and Michael Brotherton (trumpet) as well as several BSBC musicians. It will be a very special and joyful day of worship.

## Preschool and Children...

**Jesus grew. Luke 2:52**

"I used to be three:  
Look at growing-up me!  
Do something you could do as a three-year-old.

You have grown a lot since you were a baby. Who were some of the people who helped you grow? Those people used to be little, too. Everybody started out as a baby.

Even Jesus was a baby, then a one-year-old, then a two-year-old, and He was even as old as you are now!" Little Visits with Jesus

We need to remember that each of us once was a small child. We all grew up! Who helped you grow up into the Christian you are now? Did you not have those special Sunday school teachers and leaders who led you through your growing years, encouraging you to a part of Sunday School, worship and times of fellowship with your friends?

We all need to remember that each of us can be a strong influence for our children. We can help our children know the difference in right and wrong. They look to us as to what we put first in our daily lives. Think how it affects your children when they see you participating in Bible study, taking part in worship, or praying. In their own way they come to understand how much value we place on all aspects of worship.

Whether you are a parent, grandparent, aunt, uncle, or just a friend, you are influencing how a child develops. Your attitude and commitment to your faith is understood by the children around you.

Ms. Ellen

## A Message from Our Youth Minister...

The annual youth Boston Butt fundraiser is under way! A big thank you to Miles Hamrick and others who are cooking our food. All money raised from this fundraiser goes toward youth trips for the rest of this year. Each Boston Butt is \$40 and comes with the Boston Butt, slaw and barbecue sauce. The last day to place an order is Sunday, March 25. They will be available for pick-up on **Friday, March 30**. If you place an order directly from a youth or are unable to pick up your order, we can deliver the Boston Butts on that Friday. Pick-up will be in the Fellowship Hall of the church from 9 AM-1 PM. We welcome and encourage any students and parents who are able to come help with this process. Each youth has a maximum of 4 Boston Butts they can sell, unless otherwise told towards the end of the fundraiser. You are invited to help our youth and enjoy some great food for Easter Sunday!

This season in the church calendar is one of the most holy and sacred times of the year. As we prepare for the "Passion Week", ultimately ending in the celebration of Easter, we are first called to reflect on the way we live. The spiritual discipline of fasting is one that can be extremely powerful, if taken seriously. Fasting can be practiced in many different forms; with food, material possessions, bad habits, or even creating and practicing good habits. Our challenge during the Lenten season is for each of us to look introspectively and decide for ourselves what this season will look like. Fasting from anything is certainly not a requirement, but our prayer for every follower of Christ this season is that we would each have an authentic desire and take the appropriate steps to strengthen our relationship with God. Peace and blessings to all during Lent.

Here are some events coming up and some dates to be aware of for our youth:

**Sunday, March 4** our youth softball team will begin practicing for the 2018 season. Our games will begin towards the end of April and run through the beginning of June. The last two years with softball have been extremely successful; not only because we won a championship, but also because it is a tremendous way to build community within our group. Our practices will be weekly, on Sunday afternoons, beginning at 4 PM and ending roughly around 6 PM. I will provide a schedule for the church and in the next Current for all who would like to come and support our youth during softball season. If any youth who have not played the last two years would be interested in playing, please let us know by April 1 so we can order a t-shirt!

**Saturday, March 24** all of our male students and the current 6<sup>th</sup> graders are invited to a video game, basketball and other sports day at the church. We will have multiple video game options, access to the LEC, and just have fun hanging out that afternoon. The NCAA basketball tournament will be on and we will watch that as well. We will meet at the church at 2 PM and finish up around dinner time, 5 or 6 PM. Students are more than welcome to arrive late or leave early if needed. We had an awesome Scripture Art day at our house with the female students last month and we look forward to an awesome day with the male students this month!

With love,  
Mary and Alan Newcomb

## Church News...

Dear Church Family,

Thank you for your thoughtfulness with fruit gifts, cards, calls and prayers during my illness. We miss the weekly fellowship due to our health problems, but we feel the power of your thoughts and prayers. Relying on intercessory prayers is such a blessing from our Father.  
Sara & Larry Anthony

During this month we have the opportunity to give money to support missionaries serving at "home" in the United States and Canada. Through the SBC, you can give to the Annie Armstrong Offering. Annie was an early leader of women and she wrote thousands of letters by hand urging support for missionaries. Those envelopes come in your packets. You may also give to the Global Missions Offering of the CBF. The CBF ministers in at least 20 states with Cecelia Beck and LaCount and Anna Anderson serving in two areas in North Carolina. The envelopes for that offering are in the pew racks.

The goal for this offering is \$4,000 and the Ingathering will be on April 8. Pray fervently for all our missionaries as you learn about their work and give generously to support them.

Everyone is invited to attend a  
**Baby Boy Shower** for

Sunday, March 4, 2018, from 2:00-3:30pm

**Thank you** to Barbara Greene and Joann Lutz for leading the **Pillowcase-Sew-a-Thon** on **February 16**. These ladies graciously volunteered to travel, purchase, collect, mail, and who knows the many more steps involved, in this ministry to help those affected by the devastation of the hurricane in Texas this past fall. **Thank you** to the group of volunteers who came together for an evening of positioning, pinning, ironing, and sewing over 100 pillowcases. There were 209 sent to those in need. **Thank you**, also, to the Men's Sunday School group who cooked and served a soup supper for everyone that helped. **What a ministry!**
