Keith's Korner...

I must confess, my physical body needs some renewal. Throughout December and into the new year I have been consuming way too much sugar and chocolate. I am convinced that buffet meals and all you can eat church dinners combined with little (OK, NO) exercise does not lead one to be at his/her best. As a new church basketball season approaches (One in which I am hoping to participate), I am now taking steps to eat better and exercise. After all, Paul does remind us in II Corinthians 6:19-20 that, "our bodies are the temple of the Holy Spirit" and that "we are to honor God with our bodies." Neglecting our physical health will lead us to a place where we do not want to be. The same is true for our spiritual health. Not only do our physical bodies wear down without proper care, our spiritual lives do this, as well. I have always heard that gym memberships go up dramatically at the beginning of the year. I would honestly like to know if the sale of devotionals, books, Bibles or other Christian study resources go up at this time, too? Do you have time set aside to spend with God each day in prayer, Bible reading and devotion? God created us to live in fellowship with Him. When this fellowship is broken, life is even harder and His will and direction for our lives is even more mysterious.

I love Jeremiah 31:25 (NIV) where the Lord Almighty says, "I will refresh the weary and satisfy the faint." The demands of day to day life can, at times, drain the spiritual reserves of the strongest Christian. If we desire spiritual renewal, may we commit to pursue the things of God. This spiritual renewal begins with confession and with a greater understanding of God's unconditional love. May each of us look within ourselves and be honest about what we find.

I hope you will make plans to be here each Sunday during February as we will be reminded of God's great love for us and the challenge we have been given to show and share this love with others. February will be a GREAT month to invite others not active in a local church to join you for worship. Each Sunday the music, scripture and message will be centered around this love theme. Please read over the enclosed "28 Days of Love" insert and join others in what is shaping up to be a VERY EXCITING month.

You are loved,
Keith

I want to again express to you all my deep gratitude for your love and support this semester. I am blessed to be your CBF intern and praise God for leading me to such a loving church family. I am really excited about working with you all as we strive to create deeper and long lasting relations with our brothers and sisters at Green Bethel Baptist. I ask for your continued support, prayers, love, encouragement, and determination as we take on this ministry together.

Sincerely,
Your CBF Intern, Cedric Starr

THURSDAY NIGHT STUDY SESSIONS

Dr. Don Berry, Professor of Religious Studies and Director of Global Missions Center of GWU, will be leading those who are interested in a 4-week session, **"Islam, ISIS, and Other Enquiries"**. There are registration forms available in the vestibule and outside the church office that Pastor Keith would love those interested in attending to fill out and return, so that Dr. Berry will know a number of people and amount of materials needed.

On the same form, there is another study entitled, **"Reading the Bible for Personal and Communal Renewal"** offered on the **GWU campus Thursdays, March 9-30, from 6:30-8:30pm** in the Lindsay Classroom 214. Me? Sing in worship or sing a hymn?
(aka) Sunday Night Hymn Study

"I don't know anything about music or hymn singing."

"I don't know one note from another."

"Why do we even sing in worship, anyway?"

"Me? Sing? You must be kidding!"

The more knowledge you have about hymn-singing (and worship music in general), the more understanding you will have about being a participant in worship. Thus, the more meaningful your experiences will be Sunday after Sunday.

This series began Sun., Jan. 22, and we will meet on Jan. 29 and Feb. 5 & 12 at 5:00 pm in the Lighthouse Room. There is still a lot you can learn from participating.

You're invited to.... **CELEBRATE LIFE!**

It has been said that everywhere around the world, at any time of the year there is a choir or group presenting the musical drama *Celebrate Life!* On Sunday, April 9th during worship, the Music Ministry of Boiling Springs Baptist Church will also present this beautiful and meaningful message.

Celebrate Life! tells the story of Jesus through the eyes of four disciples: Matthew, Mark, Luke, and John. This best-selling and timeless classic was a collaboration between musical composer Buryl Red and lyricist Ragan Courtney and has been in continuous publication for 45 years. Originally published in 1972 by Broadman Press, the publisher now estimates that well over a million copies have been sold.

Countless lives have been touched by this musical: those who have participated in its presentation as well as those who have attended presentations of *Celebrate Life!* The song "In Remembrance" was written specifically for this musical. "In Remembrance" now appears in several hymnals and is sung all around the world. (You will find it at # 365 in *The Baptist Hymnal* located in our sanctuary pews.)

You know you want to be a part of this very special 45th Anniversary presentation of *Celebrate Life!*

Rehearsals for singers will be held **each Wednesday 7:30-8:30 pm** in the choir room **beginning Wednesday, February 1.** We will also have **some bonus rehearsals** along the way.

Please contact me ASAP if you have any questions or if you are interested in participating in this musical in any way. We have room for set designers, costumers, instrumentalists, singers, etc. We want and need YOU to be a part of this meaningful experience!!

Preschool and Children...

"One for Parker; One for Jack. Two for Parker; Two for Jack."

The boys are sharing cookies. A generous person gives more than what others expect to get. If someone wants one cookie and you give him two, you have been generous. How can you be generous today?

As we begin our "28 Days of Love", the children were generous this Wednesday as they worked on projects they could share with others in the community. They worked hard and creatively on valentines for shut-ins and others on our Christmas card list. Some of our community helpers will be surprised with treat bags blessed with love and care from the children. Those visiting this month in the food closet will get snacks and water with love notes attached to them. Those notes may express simple thoughts but they are ways that the children and their families can be generous with their love and kindness to others. How can you share with others? It is not hard to send a card, share a smile, phone a friend.....who will be blessed more, the person receiving the act of kindness or you?

Youth in the Cleveland County Children's Homes are required to leave the homes at the age of eighteen. The Children's Homes are attempting, through their "Right of Passage" campaign, to build apartments for those children as they leave the traditional homes in which they have been living. The children and youth of our church have joined together to be a part of the "Right of Passage" campaign by sponsoring "Feed the Flock" on February 5, following the worship service. The proceeds will help with the construction of transitional apartments for those in the foster care system that are turning eighteen. Thank you for your support and encouragement as we attempt to help a particularly needy group of youth from the Cleveland County community.

As we work together as a church to show our love during the month of February we need to remember 1 Timothy 6:18, "*Command them to do good, to be rich in good deeds, and to be generous and willing to share.*" The children have talked about sharing what God has given them, even if only a hug or a smile. Those may be just what might help someone have a better day! I hope you have good day and that God blesses you in a special way!

Miss Ellen

Alice Cullinan has written a monthly devotional entitled, "Claiming God's Promises for 2017". Copies are available in several areas of the church. Pick up your copy today! Start your New Year with prayer!

A Message from Our Youth Minister...

The main goal of my walk with Christ and my ministry is to show love for all people. Jesus tells His disciples in the 13th chapter of John's Gospel that everyone will know who disciples of Jesus are by the way they love each other (John 13:34-35). The 28 days of love challenge set by our church for its members is a remarkable step in the right direction to being committed followers of Jesus. I hope for myself, for our youth, and for all of us, as members of Boiling Springs Baptist Church, that the challenge to show love to those in our community will extend beyond the 28 days of February. The next month, for all of us, can be a month where we truly begin to walk in the will of God by actively loving our friends, families, and our community at large. I pray for all of us that we would keep that commitment of love close to our hearts for the next 28 days and all of our days in the future.

February brings some exciting opportunities for our youth listed below:

Youth Basketball: Our youth basketball team will wrap up its season in the month of February with games on February 2nd @ 7 PM (Dover YMCA), February 7th @ 7 PM (Zion Baptist Church), and an end of the year tournament this month. We would love your support in the stands as we close out a fun season.

Senior Adult/Youth Valentine Lunch: We will be having our annual adult/youth Valentine lunch on Saturday February 11 @ 11:30 AM in the Fellowship Hall. This was a wonderful afternoon last year and we look forward to another this year! There will be entertainment by the youth and the youth will be serving lunch for the adults. We would like to have an idea of numbers for the afternoon so if you could please RSVP by Wednesday February 8 that would be appreciated. All are welcome and we look forward to a fun day of fellowship!

Feed the Flock: There is a joint Feed the Flock scheduled for Sunday February 5 with the children and youth. All money raised goes towards the Cleveland County Children's Homes and their new project for children 18 years and older who have been placed out of their foster homes. All youth are invited to come and help serve lunch to raise money for this great cause!

On another note we are excited to announce some changes to our youth room! We have painted the walls, brought up new chairs, and provided some entertainment in our room. If you have not seen it, come on up and take a look! A huge thank you to Mary Newcomb, Celeste Thurman, Denis Thurman, Carrie Dobbins, Samantha Collins and Kenny Collins for your hard work in enhancing our room for the youth!

With love,
Mary and Alan Newcomb

Greetings from BSBC Daycare

Hello! Things are rolling along pretty smoothly here at the daycare. We only have a few spots that are unfilled right now. Recently we've had some beautiful days to spend more time outside enjoying God's beauty. Spring will be here soon but the children are telling me that they would love to see it snow one more time. How wonderful life would be if we all had the heart of a child and could experience things from their perspective.

We stay pretty busy here at the daycare and as spring gets closer we will be even busier. Warmer weather gives new opportunities to teach our children about the world God made for them.

The steadfast love of the Lord never ceases; His mercies never come to an end; they are new every morning; Great is your faithfulness. Lamentations 3:22-23

Many blessings! Dawn

THAT'S GREEK TO ME How to Use the Greek Text to Better Understand the New Testament Dr. Joseph Webb, Learning Leader

Suggested Materials: A [Greek-English \(Interlinear\) New Testament](#), either in print (inexpensively on Amazon) or on-line at www.biblehub.com

An [Analytical Greek Lexicon](#) (used, on Amazon, under \$10)

A study textbook by Joseph Webb and Robert Kysar, titled [Greek for Preachers](#): Chalice Press (used copies for sale on Amazon, under \$15)

It is not necessary to purchase these materials to appreciate the teaching or discussion of texts. Some materials will be made available in Xerox form.

Purpose:

This brief introductory course provides an opportunity for the interested lay Bible student to access the meaning and application of the New Testament's original Greek language for study and teaching. This is not a traditional language- learning course, and the materials above are very easy to understand and use. This is a guide for basic study, requiring only that one learn the Greek alphabet and pronunciation guide—no grammar or vocabulary memorization necessary. Countless biblical texts will become clearer by focusing on the elements of this class. Remarkably, when we learned English grammar in high school we went a very long way toward knowing Greek grammar, a key to understanding in a new way many New Testament texts.

Schedule: 4:00-5:00 pm in Kerygma Classroom, BSBC

January 29 – Why is Greek-English important? The ABC's of the Greek alphabet and pronunciation of words

February 5 – Word Study and Arrangement: Using the Lexicon, with text examples

February 12 – Nouns, Pronouns, and Articles, with text examples

February 19 – Verbs, Adverbs, and Prepositions, and Compound Words, with text examples

February 26 – Participles, Conjunctions, Imperatives, and other Verb Forms, with text examples

March 5 – Working with Sentences and Developing Original Translations of Key Texts, with text examples

BSBC Library

One summer, many years ago when I worked for the County Library, it fell to me to drive the large and awkward bookmobile, better known as the Blue Goose, to rural area in this southern part of Cleveland County. Among those who looked forward to the weekly centers, and the elderly. Late one afternoon I pulled into the drive of Mr. Grady Goode of the Trinity community and, as many times in the past, was warmly greeted by Mr. and Mrs. Goode. And, as in former times, I gingerly pulled close to the stand-alone carport which offered much needed shade. But this time I pulled too close as the bookmobile lifted one corner of the roof and I heard the crunching of metal, not only on the carport but the bookmobile as well. The Goode's were very nice and surprisingly understanding as they allowed me to use the phone to call the library director. As the sky was reddening in the west the Blue Goose and I limped back to the library garage, most confident that if I didn't lose my job, at least I wouldn't have to take the bookmobile out again. Not so! The very next week, out of misplaced confidence or punishment, the Blue Goose and I were flying down country roads bringing books to anxiously awaiting patrons. Although this event is not directly related to the main point (it's still a good story) I tell it simply to say that libraries may extend themselves beyond their walls. Just as the County library extended its collection through the bookmobile, so may our library extend itself to other areas within the church. If you see a cart of books in the hallways of the church, please take time to peruse the collection and feel free to check out a book or two. Simply open the back cover to find the pocketed card. Sign your name on the card and leave it in the designated box on the cart. Instructions for book return will be on the cart.

CHECK IT OUT !! Nancy PS: *Should you ever see Grady Goode and happen to mention my name, be prepared to listen to a moment by moment account of the incident which is, evidently, etched in his memory as well as mine.*

During this month you will have the opportunity to contribute to the **HECK JONES OFFERING**. This is an offering to support the work of the Woman's Missionary Union of North Carolina. The offering, named for early leaders Fannie Heck and Sallie Jones, is the main financial support this organization receives. Our church has always been a strong supporter of the missions organizations from pre-school through adults. The **In-Gathering will be on February 26 and the goal is \$3,200.** We appreciate your support and thank you for your contributions.

Dr. Joseph Webb, GWU professor of communication and new media and a member of our church, will teach the five-week Spring Chautauqua Bible series at Boiling Springs Baptist Church beginning Sunday, March 5. It will run March 5, 12, and 26, and April 2 and 9, skipping Sunday, March 19. Each class will be at 5 p.m. in the Fellowship Hall.

The topic will be "Between Jesus and Paul: The Church's Forgotten Founder". The session topics are:

1. "When the Apostles Escaped Death"
2. "The Mysterious Appearance of James"
3. "James and the Attack by Paul"
4. "The Genius of James' Leadership"
5. "James' Letter and Legacy"

Dr. Webb has published a number of books on biblical studies and preaching. In addition to his Ph.D. in communication studies, he holds a Master of Theological Studies degree from the Candler School of Theology and D. Min from the Claremont School of Theology, where he taught for several years.

28 Days of Love

for Boiling Springs

Of all the commands in the Bible Jesus once said that two are the most important...

Love God with all your heart and love your neighbor as yourself
(Mark 12:30-31).

Throughout the 28 days of February, individuals and small groups, within the church, are challenged to demonstrate God's love to others in the greater Boiling Springs community.

Read below to discover how individuals, families and small groups can be involved in this 28 Days of Love emphasis.

- Participate in weekly worship services with music and sermons centered on this love theme.
- Memorize the weekly love scripture verse that will be handed out at the conclusion of worship. This verse will be laminated and can be placed on your key chain each week.
- Demonstrate an "Act of Love" each of the 28 days. See back for ideas.
- Work together with your Sunday School class, Bible study group, mission group, etc. regarding ways you can share and show God's love to businesses in the Boiling Springs area. Sign up sheet for this is outside Pastor Keith's office door.
- Join others from Boiling Springs Baptist for a meal and time of testimony and celebration regarding this 28 Days of Love emphasis on Sunday night February 26.

Congratulations to BSBC for being recognized at the January CCS Board of Education meeting for their continued work with the Backpack Ministry. Thank you to Lindy Bryson and Trista Williams for their hard work each week!

Something that started by feeding a few children in schools, who normally would be hungry on the weekends, has now blossomed into a county-wide ministry. The Backpack Ministry is making a difference by feeding many hungry children, and sharing Love among others.

We are filling 11 bags each week in our Back Pack Ministry AND our Food Closet numbers continue to grow! Thank you for your encouragement and support!

Remember

FOOD CLOSET / BACK-PACK MINISTRIES

We have so many HUNGRY in our surrounding community areas. We are buying many food items to help keep the food closet stocked each week..
